SPECIAL MESSAGE

This Business Support Material (BSM) is intended for existing IBO's only. We have a continued interest in you and your **AMWAY** business. This special message is to prompt you to evaluate expenses that relate to BSM related to you. Your expenditure on these items should be reasonable compared to your business volume and profits. You should review your business expenses and decide whether you wish to continue purchasing BSM. The use of BSM in connection with your **AMWAY** business is voluntary and must always be in compliance with the **AMWAY** Rules of Conduct. If you wish to discontinue receiving further CEP issues, please advise us in writing.
